

January 31, 2020

The 2020 Meadville Boys Volleyball team is requesting the Crawford Central School Board's approval to travel to the Derry High School's Varsity Volleyball tournament on March 28th. Due to the distance and early start time we will need to spend the night on March 27th. The booster club will pay for meals and lodging. This will be the first year competing in this prestigious tournament and would like to continue to see the top competition in the state. The only cost to the district will be gas for two vans.

Respectfully.

Nick Bancroft

Varsity Boys Volleyball Coach
