108-AR-2. TEXTBOOK RECOMMENDATION FORM

Subject: Mathematics Date: 3-4-20

Textbook Recommended:

Title: Statistics and Probability with Applications

Author: Daren Starnes and Josh Tabor

Publisher: Bedford, Freeman & Worth

Copyright date/edition: 2017/Third Edition

Course: Academic Statistics

Quantity: _____

Available formats: Hardcopy and Electronic

Cost per book: \$121.98/hardcopy and \$137.65 digital (6 year subscription)

Auxiliary needs: _____

Method of evaluation used: _____

Statement of reason for recommendation: refer to the Textbook Evaluation Form when completing this statement. The current statistics textbook used for teaching academic statistics is over ten years old and is in need of replacement. The chosen textbook has excellent readability for an academic level class and includes many real-world examples and activities. The textbook also incorporates digital applets to assist students in their conceptual understanding of the topics. This particular textbook is well recommended by other experienced statistics teachers.

Signatures of staff members:

1. Teacher: Jill Kline
2. Teacher: Trent Burchard
3. Teacher: April Terrill
4. Janice Waldon
5. _____

Note: Please return the entire packet of information, including the Textbook Evaluation Form, and the textbook to be selected.
