The 2018 Meadville Boys Volleyball team is requesting the Crawford Central School Board's approval to travel to Altoona High School on April 27th for a JV/Varsity match and to the State College Varsity tournament on April 28th. We have participated in this prestigious tournament for many years and would like to continue to see the top competition in the state. The cost of transportation to the event is estimated at \$1,200.00.

Respectfully.
