Dear Board of Directors:

I am writing to request permission to execute a two day field trip to New York City for interested students and adults. The focus of the trip would be to attend a production on Broadway and to tour some of the landmarks in and around Manhattan. I have been in contact with a representative from Hemisphere Educational Travel and am attaching a tentative itinerary with approximate cost.

The travelers would be responsible for paying for their own trips, although some type of fund raising will be planned with interested students. The trip is currently being planned for Saturday, April 6, 2019 – Sunday, April 7, 2019. The trip would be open to senior high school students and other interested teachers/ adult chaperones totaling 40 - 55 travelers.

There would be no cost to the district.

If you need further information or have any questions, please feel free to contact me.

Thank you for your consideration in this matter.

Sincerely,

Tami Shilling

English teacher
