

January 25, 2018

The 2018 Meadville Boys Volleyball team is requesting the Crawford Central School Board's approval to travel to the State College Varsity tournament on April 27 & 28. We have participated in this prestigious tournament for many years and would like to continue to see the top competition in the state. There will not be any cost to the district, but we ask permission to use the school vans for the two days.

Respectfully,

Ron Newman

Varsity Boys Volleyball Coach
