Dear Parents,

The Parent Support Center of the Northwest Tri-County Intermediate Unit is currently developing a parent email list. This list will conveniently send you current parent training and information pertaining to your child's disability via email. This will provide you with information that is specific to your child's disability, school district, locality, etc. If you would like to be part of this list, please either fill out and mail the bottom portion of this form or contact me at the Parent Support Center, 252 Waterford St., Edinboro, PA 16412, (814) 734-5610, ext. 5258. You may also send this information via email to [michele\\_kulesza@iu5.org](mailto:michele_kulesza@iu5.org).

This information will be used strictly by the Parent Support Center and will not be shared with anyone.

Sincerely,

Michele Kulesza
