

**OFFICE OF THE SUPERINTENDENT**

September 1, 2021

Dear Parent(s)/Guardian(s):

As you may already know, the Pennsylvania Department of Health has issued an Order directing face coverings in school entities. All Crawford Central schools will abide by this Order.

The Order specifically states that each teacher, child/student, staff, or visitor working, attending, or visiting a School Entity shall wear a face covering indoors, regardless of vaccination status. As in the past, there are exceptions to the covering/mask requirements.

The Order will be in effect beginning Tuesday, September 7, 2021 until further notice. The Department of Health will monitor COVID-19 transmission rates and vaccination data on a periodic bases to determine when the order will be rescinded.

The Pennsylvania Department of Education states this Order will help maximize the chances for regular school operations and minimize student and staff quarantines as school progresses.

Thank you for your continued cooperation.

Sincerely,

Thomas K. Washington  
Superintendent of Schools
